

New Zealand I-REC(E) Customer Registration Pack

Thanks for expressing your interest in our services. We are pleased to provide a registration pack to guide you through your registration with the New Zealand I-REC(E) program. This document provides an overview of the contents included in the registration pack and provides instructions for returning the necessary documents for registration.

Please review the contents of this pack and familiarise yourself with the requirements and expectations.

For any questions or concerns you may encounter during the registration process, we encourage you to refer to the following resources:

- The EMS website: www.ems.co.nz/services/renewable-energy-certificates
- The I-TRACK global organization: I-TRACK • The International Tracking Standard Foundation
- The Evident platform: www.evident.app

Additionally, our dedicated team is available to assist you with any inquiries or support you may require. Please do not hesitate to contact us at recs@ems.co.nz, and we will be happy to provide prompt assistance.
